

# WOOD BLOWS IN THE ELEVENTH

Pass and a Wild Throw Are Starters For Washington — Johnson is Called on to Save the Game.

BOSTON, July 1. — Joe Wood "blew up" in the 11th inning Monday and Washington defeated Boston, 3 to 1. After passing a man to first the Boston pitcher threw wild to that base to catch a runner, Ball fumbled a hit and Wood's delivery was found by both Gandil and Morgan for singles, scoring two runs, and breaking the tie which had thrown the game into extra innings.

It was a pitchers' battle between Wood and Groom up to the seventh. In the eighth Walter Johnson was injected into the game by Manager Griffith after Williams, pinch hitting for Groom, had tied the score with a double. Johnson held Boston to one hit in the four innings he pitched and struck out three men, including a pinch hitter, in the 11th inning.

Wood allowed Washington only three hits and struck out ten men in the first seven innings.

Browns Get Nine Hits But Fail to Tap Ball When Hits Are Needed to Get Runs.

ST. LOUIS, July 1.—Although out-hit nearly two to one Cleveland won the opening game Monday of the series with St. Louis three to two. The winning run was scored in the ninth inning when Williams lost Olson's drive in the sun and it went for a two-bagger, scoring Johnson, who had singled.

Cleveland tallied first, getting two runs in the second on a pass, an error and two singles. A base on balls, a single and an out settled the first St. Louis run. Three singles in the seventh tied the score. In this inning with bases full and two out, Williams rolled to the pitcher, ending the rally. Cleveland . . . 020 000 001—3 5 1

**PHILLIE PLAYER IN SCRAP WITH MCGRAW**  
Brennan Downs Giants' Manager Who Taunted Him During the Game Monday.

PHILADELPHIA, July 1.—Manager John McGraw of the New York National League baseball club was knocked down by two blows on the jaw delivered by Pitcher Brennan of the Philadelphia National League club, after Monday's contest between the two teams.

The New York manager was walking across the field talking with another Philadelphia player. Nearly all the spectators had left the grounds. Suddenly Brennan sprang toward him and swung his right hand to McGraw's jaw, landing above his chin and followed it up with a second blow from his left hand which landed below the ear.

McGraw dropped before he could see who had hit him. Later he declared that he must have been kicked but other players who had quickly pulled Brennan away declare that only two blows were struck. McGraw soon recovered and went to his hotel.

Brennan declares he was exasperated beyond the limit of endurance by taunts directed during the game by the New York manager at members of the team.

**PLANK HOLDS YANKS TO THREE LONE HITS**

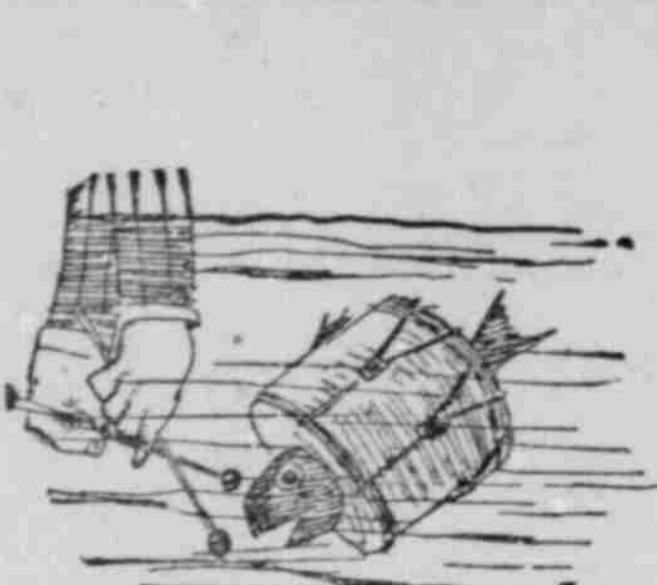

NEW YORK, July 1.—The Athletics experienced little difficulty in defeating New York, shutting out the locals by a score of six to nothing. Plank, the St. Louis southpaw pitcher of the visitors, held the locals to three scattered hits.

Although Plank in the sixth inning issued three passes and Midkiff hit a triple there was no scoring. Schulz held the visitors safe early in the game and received brilliant support for five innings, after which the young pitcher's support crumbled and his work also deteriorated. A catch by Walsh on Daniels in the eighth inning was the feature.

Jimmy Lavender Goes Good, Allowing Only Three Hits While the Bruins Hit the Pittsburgh Pitchers.

CHICAGO, July 1.—Jimmy Lavender was almost invincible Monday and held Pittsburgh to three hits, only two of which were clean and bunched, and Chicago won 12 to 2. Chicago pounded Camnitz so hard that he was forced to retire in favor of Cooper, who was equally easy for the locals and he gave way to Fred Eayers, a recruit pitcher from Brown university, who made his debut in the big league Monday. He pitched a fairly good game and contributed the final hit for the visitors.

## MADDEN SEEMS DUE FOR A MINOR LEAGUE

Gives Five Passes, Makes Three Wild Pitches and a Boot in Game With Dayton.

TERRE HAUTE, Ind., July 1.—Madden helped Dayton win from Terre Haute six to two Monday when his five passes, three wild pitches and error figured in the scoring. Stremmel pitched his first game in the Central this season. He was effective and had good support.

## EASTERLY MAKES A HIT WHEN NEEDED

His Sharp Single Sends Two Runs Over and Sox Take the First Game From Jennings' Men, 6 to 4.

DETROIT, July 1.—Chicago Monday won from Detroit 6 to 4, in the first of a three-game series. Hard and opportune hitting produced the victory. Manager Jennings used two pinch hitters in the seventh and one in the ninth, but none of them connected.

Easterly, Chicago's pinch hitter, on the other hand, made good with a sharp single in the sixth inning, that sent two runs across the plate. Bush with a triple, a two-bagger and a single, was the heavy hitter, while Chase got a triple and two singles. Beall made the big hit, however, his drive over Cobb's head in the eighth inning being good for the circuit.

## EVANSVILLE GETS BOLT OF LIGHTING

Grandstand at Ball Park of River Town is Hit and Damaged to the Extent of \$10,000.

More or less tough luck is attached to the Evansville club. With the team trailing the league in the percentage column, there comes an announcement that a bunch of lightning struck the grandstand at the park Monday and right away it's damaged to the extent of \$10,000.

Although, any loss like that is not welcome, the promoters of the baseball situation at the river town should be able to stand it. The attendance there has been of the best and money has been coming in regularly to the coffers of the management.

South Bend might be considered lucky when it is taken into consideration that if Evansville had not been favored by Louie Heilbroner, this city would still be in the circuit. Possibly the weather man just has a grudge against Evansville or maybe the fates decreed that no matter who got that franchise, the grandstand was going to be struck by lightning. Now if South Bend had been lucky enough to land that place, there might not have been a perfectly good grandstand out at Springbrook today. If that had been the case, the promoters here would certainly have been hard hit, for it is almost certain that league baseball would not have paid this season. That may be seen by the poor attendance at the independent and some of the Factory league games.

## INJURED MAN IMPROVES

Wilbur Chapman Thrown When Machine Hits Pebble.

Wilbur Chapman, a motorman on the street railway, who was injured Sunday when he was thrown from his motorcycle at Springbrook park, is reported by the doctor who is attending him as being much improved. The man was driving his machine at a moderate rate of speed when it struck a pebble and turned over, throwing him to the pavement.

## ROUSH IS NOT THE LEADER IN CENTRAL

Pitchers Seem to Have Discovered a Weakness to the Young Phenom Who Was Breaking Fences Before.

Pitchers around the Central league seem to have discovered a weakness to young Roush of Evansville, who for a time was smashing the ball to all corners of the lot, as he is finding from the top and is not the leading swatter in the league at present.

Faulkenberry of the Evans is the leader with an average of .455. He has taken part in only 17 games and been at bat only 33 times. Stewart of Springfield, who has taken part in 55 games with an average of .364, is the real leader. Tutwiler of Ft. Wayne is there with a mark of .352.

Three old Central leaguers are batting at a .330 clip. They are Pick and Wheeler of the Terre Haute team and Ben Koehler of this city, who is holding down second base for the Grand Rapids team. Shaw of Dayton is also batting at a .330 pace.

Roush, who was hitting up around the .400 mark, is now down to .314, the same mark that is supported by Lefty Core of Grand Rapids.

Webb, who is an old one in this league, heads the pitchers. He has worked in only two games this season but has managed to win both of them. Purcher of Evansville and Betts of Terre Haute are others who are sprouting a clean pitching average.

Madden has started in 16 games and has a poor record. He has lost nine games and has only won two. Leonard has walked 56 men and his wildness has been the worst handicap he has had to travel with this season.

# GIANTS NOW LEAD THE NATIONAL

Two Teams Play a Ten Inning Game Which is Filled With Errors That Allow Several Unearned Runs.

PHILADELPHIA, July 1.—New York won the opening game of the series here Monday in ten innings, 11 to 10, and thereby captured first place in the National league race.

The contest was filled with exciting incidents being marked by numerous bits of bad playing and by a number of brilliant catches and stops. The errors of the home players were more costly than those of the visitors.

A muff by Magee and a fumble by Paskert in the fourth inning contributed three runs to New York and Doolan made three of his four errors in the fifth and seventh sessions, which assisted the visitors to some of their seven runs in these periods.

Four of Philadelphia's runs were largely the result of misplays on the part of the visiting fielders. Philadelphia took a lead of 5 to 1 in the first three innings by piling up six hits with a fumble by Snodgrass.

The home players made two errors in the first, but Seaton got out of the trouble by striking out Doyle and Merkle. In the fourth, Magee's fumble, three hits and Paskert's fumble gave the visitors three runs. McCormick, acting as a pinch hitter, drove in two of the tallies.

Wiltse went to the rubber in the fourth. New York took the lead in the fifth on two passes, singles by Fletcher, Murray's sacrifice fly, Myers' double and an error by Doolan. The home team tied the score in this inning on Lobert's infield single, Wiltse's wild throw and Lobert's steal home. Singles by Myers and Snodgrass, a pair of passes and two errors by Doolan gave New York four more runs in the seventh. The home team scored two runs in the same session on a fumble by Doyle, a single and Cravath's double. Mathewson then took Wiltse's place. Cravath scored from second base when the plate was left uncovered after Merkle got Doolan's grounder and hee and the runner to first base. Shafer was benched in the eighth inning, which was pitched by Chalmers, for disputing a decision at second base. His place was taken by Hierzog. Alexander pitched the last two innings. In the tenth Snodgrass beat out an infield grounder, took second on Burns' out and scored the winning run on Herzog's single.

Box score: New York, 000 330 400 1—11 12 5  
Phila. . . 104 010 310 0—10 13 7  
Tresreau, Wiltse, Mathewson and Meyers; Seaton, Chalmers, Alexander and Killifer. Umpires—Klem and Orth.

## CARDS HAVE EASY TIME WITH THE REDS

Packard Lasts Little Over One Inning and Johnson Does Little Better.

CINCINNATI, July 1.—St. Louis knocked Packard out of the box in the second inning and scored enough runs off him to win, Johnson, who succeeded Packard, pitched fair ball, but was taken out to allow Devore to run for him in the seventh inning. Harter yielded only one hit in the two innings he was in the box.

Magee was ordered out of the game by Umpire Brennan in the fourth inning for disputing a decision. St. Louis . . . 230 002 000—7 11 0  
Cincinnati . . . 010 000 000—4 8 2

## RUCKER IS VICTIM OF THE BOSTON LADS

Crowd Greets Dodgers on Their Return But Are Forced to Leave Park Disappointed.

BROOKLYN, July 1.—The return of the Brooklyn's after a month's absence drew out a big crowd, but was otherwise disappointing. The Boston's knocked Rucker out of the box in the fourth inning and was getting to Wagner when Callahan was sent in to bat for him.

Allen was hit hard in the eighth when two doubles, two singles, a pass and a wild pitch sent over three runs. Six hits sent Rucker to the club house in the fourth, the visitors piling up five runs. Perdue was effective, Brooklyn's only run being the result of a pass and two hits. Devlin made a triple, a double and two singles in six trips to the plate.

Boston . . . 100 050 030—3 16 1  
Brooklyn . . . 001 000 000—1 7 0
